social prescribing for older adults

Client Information Form

Note to Volunteer Link Ambassador (VLA) or Designated Centre Contact (DCC): Please ensure that the client consent form is completed and reviewed before each section of this tracking form.

This form is meant to "follow" your Links2Wellbeing Clients through their first year at your centre. Once you have completed the form in full (OR the client is discontinued. Whichever comes first), please input the data into survey monkey using the link at the end of the form.

8. Overcoming barriers.

This is an opportunity to brainstorm solutions with older adult, develop a relationship through conversation, and further share what supports your centre can offer. Take this opportunity to:

- ✓ ask any additional questions related to barriers
- ✓ describe services that your centre offers (For example, if a client is hesitant to participate, a 'companion' might be able to attend a program with them for support.)
- ✓ build trust within your conversation using active listening and appreciative inquiry

Use the space below to take any notes that may be helpful for your future reference.

---

9. Social Connection Questions

Answers to the questions below are tracked and documented during the intake conversation and again at 6 and 12 months.

****Note. The reason for tracking this is to determine whether there are changes during the time which the older adult participates in programs at the centre. For example, does the client feel less isolated (question #3) after they have been***

How often do you feel isolated from others?

☐ Hardly ever ☐ Some of the Time ☐ Often

10. Co-creation and program selection.

Note: Please advise the client that you are co-creating the plan together with them. It is important to empower the client and for him/her/they to know that it is their interests that will guide the next steps. You are encouraged to talk about the client goals (if any) for participation at the SALC. For example, are they interested in building new skills, socializing with others, making new friends?

Ask about current interests, current social connections if any (neighbors, church etc)

To assist with additional conversation, please refer to the **Leisure interests: guiding questions** (Appendix F) found in the 'Tools and Resources for Participating Centres' document.

If the client is not yet ready to choose a program(s), you may choose to provide them with information about available programs and activities. You can provide them with hardcopy program information or send them a link to the website, if applicable.

What programs has the client expressed interest in or registered for?
